- I have arranged travel plans by bus, train, or plane. I have indicated important travel information below.

When making travel arrangements, please try to have your son's plane/bus/train arrive between 10:00 - 2:00 pm for Sunday check-in, and between 9:00 am and 12:00 pm for Saturday check-out. *We realize not all schedules will fit these times, but ask that you make arrangements for these times if at all possible.* YMCA Camp Abnaki will send two staff members to pick up your son(s) at the designated time. Camp staff will notify you when your son has arrived safely at the airport, and again once he has arrived at camp (for check-in). For departure, staff will contact you once your son has been released to the travel company. If there are any delays during your son's travel, we will notify you of any alternate arrangements made, and ask that parents do the same before arrival.

Please check with your airline or travel company about any additional fees (such as luggage or unaccompanied minor fees) associated with your son's travel. Payment of any such fees is your responsibility. It is camp policy that campers and staff wear seatbelts while in camp vehicles. For safety, we do not allow campers to ride in the front seat of camp vehicles. We ask that all passengers behave in a safe, respectful manner. If you have any questions, please contact the camp office at (802) 652-8180 (October-April) or (802) 372-9622 (May-September).

Dear Camp Abnaki family,

Thank you for completing the Travel Arrangements form. We look forward to having your son at camp this summer. Please look over the following information with your son prior to attending Camp Abnaki. Please submit this form to the camp office prior to May 12, 2017. We have many campers arriving and it is important for us to have your travel itinerary.

For campers being picked up and dropped off by camp staff:

1. Safety is our main concern while transporting campers. We are responsible to follow all camp safety rules and regulations while driving. The rules include but are not limited to:
 - Vehicles are not to be loaded beyond the passenger seating limits as established by the manufacturer.
 - All persons being transported in a camp vehicle are required to wear seatbelts.
 - Passengers are to remain seated while vehicle is in motion.
 - Campers are restricted from riding in the front seat of the vehicle.
 - Passengers are to refrain from distracting the driver from his or her task.
 - Vehicles should be kept free of clutter and objects/luggage should not block the doors.
2. We will always have two staff members picking up and dropping off your son.
3. We will call you at least 24 hours prior to pick up/departure to confirm the name of the staff member(s) transporting your son and to confirm travel details.
4. We will contact you via phone once we have your son in our care or once their plane/bus has departed. If we do not get in touch with you we will leave a message.
5. It is about a 45 minute drive from the Burlington Airport to camp and a 1.5 hour drive from the Montreal airport. For arrivals , once we arrive back at camp we will contact you again to let you know we have arrived safely.
6. If there are any changes to the itinerary please contact the camp office as soon as possible at 802-372-9622. If you do not get in touch with anyone please leave a message.
7. If there are any changes or emergencies on our end regarding pick up/drop off, we will contact you as soon as possible.
8. If a camper has been traveling a long distance, we may stop and buy them a meal.
9. If your son is traveling with a mobile phone, we will keep the phone in the camp safe during their stay at camp. Additional items such as passports can also be kept in the safe and returned upon check out.

If you have any questions please do not hesitate to contact the camp office either by phone or e-mail.

Sincerely,
